The Ultimate
Riding Machine

OVERVIEW.

We don't just travel for the destination, but for the experience, for the new things we discover along the way, for the sheer pleasure of seeing life from a new perspective. It's the chance to get away from the everyday and rediscover yourself. A journey is only as good as the memories you take away from it. We took this to heart when designing the R 1200 RT. That's why every tour on it is an unforgettable one – whichever seat you find yourself in.

EQUIPMENT FOR THE R 1200 RT.

STORAGE ACCESSORIES.

[1] Inner bags for touring panniers

The tough inner bags make it easier to load and unload the panniers, and are also water-resistant. The handy interior divides allow elements such as washing to be held in place, and the outer pockets are ideal for small items. With carry handles and detachable shoulder strap.

- Inner bag for touring pannier, left

Order number: 77 41 8 520 295

- Inner bag for touring pannier, right

Order number: 77 41 8 520 296

[X] Impact protection system for touring panniers (not shown)

Made of sturdy plastic, protects top, bottom and sides of panniers. To be fitted in a specialist workshop, and ideally at your BMW Motorrad Centre

- Impact protection system for touring pannier, left

Order number: 77 42 7 700 461

- Impact protection system for touring pannier, right

Order number: 77 42 7 700 462

[X] Protective film for touring panniers (not shown)

Self-adhesive; protects top and sides of panniers against light scratching.

- Protective film for top of touring panniers (one required)

Order number: 77 42 8 528 355

[2] Top box (basic/fully equipped)

Large, waterproof top box with space for two helmets (capacity: 49 litres) and a backrest pad fitted as standard. It can be secured quickly and easily to the standard luggage grid. Central locking functionality is also available upon request.

- Basic top box, white Aluminium, 49 l

Order number: 77 43 8 544 630

Does not include electrics, central locking, inside light or carpet lining

- Large top box, fully equipped, White Aluminium, 49 l

Order number: 77 43 8 544 631

To be fitted in a specialist workshop, and ideally at your BMW Motorrad Centre

Only available with option code 0417: central locking

(+) Locking cylinder (with codes) for central locking with motorcycle

Order number: 51 25 7 681 200

(o) Repair kit for locking cylinder

Order number: 51 25 7 698 204

[3] Inner bag for top box

The handy, high-quality inner bag is water-resistant and makes full use of the capacity of the top box. So while the inner bag is being used, space within the storage compartment for the top box will be limited.

- Inner bag for top box

Order number: 77 41 8 520 301

[4] Storage compartment for top box

The perfect solution for documents, stationery or even your tablet: this handy document compartment has four quick-release fasteners for attaching to the lid of the top box, and helps keep things tidy while providing ready access to all your vital documents.

- Storage compartment for top box

Order number: 77 41 8 520 303

[5] Additional brake light for large top box (fully equipped)

The clear-glass LED additional brake light enhances passive safety and blends perfectly into the existing top box lid cover.

To be fitted in a specialist workshop, and ideally at your BMW Motorrad Centre

Only available with option code 0417: central locking

- Additional brake light set for large top box (fully equipped)

Order number: 77 51 8 520 044

[6] Small top box

Small, waterproof top box with a capacity of 28 l (space for one helmet). A backrest pad and central locking functionality are also available upon request. It can be secured quickly and easily to the standard luggage grid.

- Small top box, waterproof, 28 l

Order number: 77 43 7 724 352

(+) Locking cylinder (with codes) for central locking with motorcycle

Order number: 51 25 7 681 200

(o) Repair kit for locking cylinder

Order number: 51 25 7 698 204

[7] Inner bag for small top box, 28 l

Makes loading and unloading a top box even easier. Also comes with a practical carry handle.

- Inner bag for small top box

Order number: 71 60 7 680 541

- Backrest pad for small top box

Order number: 71 60 7 693 672

Please contact your local BMW Motorrad Centre for fitted prices.
Original BMW motorcycle equipment is available from your BMW Motorrad Centre.

(+) = "and" – this item must be ordered at the same time

(o) = "or" – this item may be ordered as an alternative option

EQUIPMENT FOR THE R 1200 RT.

STORAGE ACCESSORIES.

[1] Tankbag

The lockable interior (capacity approx. 11 l) and map pocket of the tankbag are exceptionally waterproof. The water-repellent exterior pocket safely holds a 0.5-litre PET bottle. With carry handles and detachable shoulder strap.

- Tankbag

Order number: 77 45 8 543 227

[2] Variable insert for tankbag

The variable insert is a practical way to divide up the interior of your tankbag and make sure everything stays in place, even when powering your way around curves.

- Variable insert for tankbag

Order number: 77 49 8 546 687

[3] Small softbag

This 30-litre softbag offers plenty of extra storage space – it can be expanded by an additional 5 litres. It has a watertight main compartment made of hard-wearing, easy-care material, and can be attached to the luggage grid or the pillion seat using the quick fastening system supplied. Max. speed when softbag is fitted: 112 mph.

- Small softbag, 30–35 l

Order number: 77 49 8 549 323

[4] Large softbag

The large high-quality softbag has a waterproof 50-litre main compartment. Capacity can be expanded by up to 5 litres with patch pockets. The sturdy EVA base fits all BMW Motorrad models perfectly, and includes a non-slip coating. With quick fastening system. Max. speed when softbag is fitted: 112 mph.

For detailed information, please contact your BMW Motorrad Centre or visit www.bmw-motorrad.co.uk

- Large softbag, 50 l – 55 l

Order number: 77 49 8 549 320

[5] Luggage roll

A tough, waterproof luggage roll with a removable, rigid EVA base and a 50-litre capacity. Roll closure for easy access, mesh outer pocket and small waterproof zipped inner pocket. Adjustable compression straps for volume adjustment. Detachable, adjustable shoulder strap and padded carry handle.

For detailed information, please contact your BMW Motorrad Centre or visit www.bmw-motorrad.co.uk

- Luggage roll, 50 l

Order number: 77 49 8 550 346

DESIGN.

Chrome parts

Choose the look you want: these elegant, high-quality chrome parts can be combined as you wish, giving your R 1200 RT a unique, stylish edge. To be fitted in a specialist workshop, and ideally at your BMW Motorrad Centre

- [6] • Pannier trim, left, chrome-plated

Order number: 51 14 8 545 123

- Pannier trim, right, chrome-plated

Order number: 51 14 8 545 124

- [7] • Top box lid trim, chrome plated

Order number: 46 54 8 522 938

- [8] • Chrome-plated silencer

Order number: 18 51 8 531 078

SOUND.

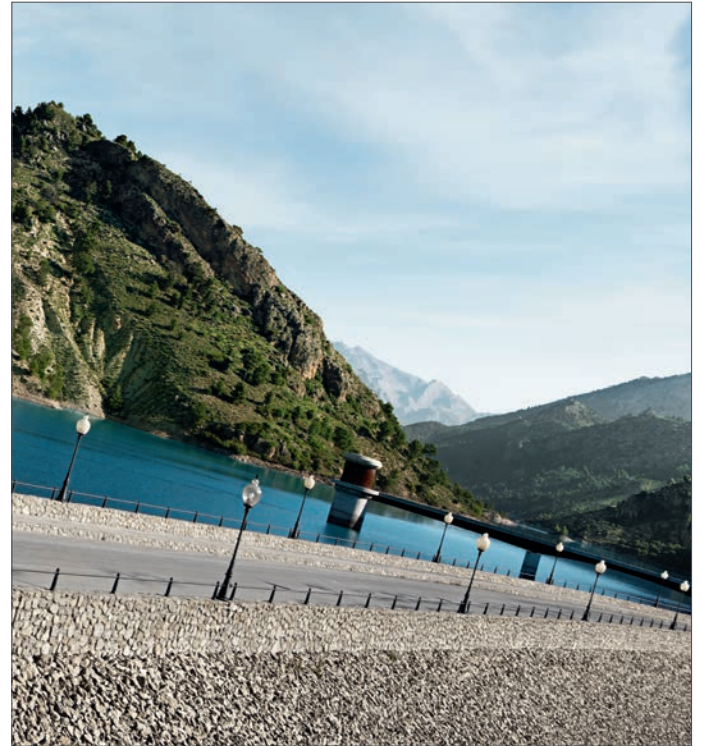

- [9] Akrapovič sport silencer

Top-grade parts for top-quality sound: made entirely of titanium, with laser-etched Akrapovič logo; carbon end cap and heat shield. Turns every ride into a thrilling experience. Approx. 1.1 kg lighter than the standard silencer.

To be fitted in a specialist workshop, and ideally at your BMW Motorrad Centre

- Akrapovič sport silencer

Order number: 77 11 8 543 042

EQUIPMENT FOR THE R 1200 RT.

ERGONOMICS AND COMFORT.

[1] Comfort windshield

Higher and wider, this windshield ensures optimum touring comfort in all kinds of weather. Exceptional aeroacoustics and scratch-resistant coating deliver durability and unimpeded visibility.

To be fitted in a specialist workshop, and ideally at your BMW Motorrad Centre

- Comfort windshield

Order number: 77 33 8 543 540

[2] Pro gear-shift assist

Change gears without using the clutch. Also available as an equipment option.

To be fitted and enabled in a specialist workshop, and ideally at your BMW Motorrad Centre

- Pro gear-shift assist

Order number: 23 41 8 536 884

(+) Enabling code for Pro gear-shift assist

Order number: 13 61 8 545 879

[3] High rider seat, Black

The adjustable high rider seat (seat height: 830/850 mm; step length: 1,875/1,915 mm) optimizes the angle of the knee for taller riders and increases comfort on longer journeys. Seat heating available upon request. Also available as an equipment option.

- High rider seat, Black

Order number: 52 53 8 544 778

(o) High rider seat with seat heating, Black

Order number: 52 53 8 544 792

Heating function for seat only available as part of the "Seat heating" equipment option
Varying levels of foam density and a Freshtouch seat cover increase comfort

[4] Low rider seat, Black

Adjustable downwards by 45 mm, this low rider seat (height: 760/780 mm; step length: 1,740/1,780 mm) makes climbing on and handling easier. Seat heating available upon request. Also available as an equipment option.

- Low rider seat, Black

Order number: 52 53 8 544 780

(o) Low rider seat with seat heating, Black

Order number: 52 53 8 544 786

Heating function for seat only available as part of the "Seat heating" equipment option
Varying levels of foam density and a Freshtouch seat cover increase comfort

[X] Rider seat, Black (not shown)

Seat height: 805/825 mm; step length: 1,810/1,850 mm

- Rider seat, Black (see pages 4 and 5)

Order number: 52 53 8 544 782

(o) Rider seat with seat heating, Black

Order number: 52 43 8 544 784

Heating function for seat only available as part of the "Seat heating" equipment option
Varying levels of foam density and a Freshtouch seat cover increase comfort

[X] Cruise control (not shown)

Also available as an equipment option.

To be fitted and enabled in a specialist workshop, and ideally at your BMW Motorrad Centre

For detailed information, please contact your BMW Motorrad Centre or visit www.bmw-motorrad.co.uk

NAVIGATION AND COMMUNICATION.

[5] BMW Motorrad Navigator V

GPS navigation for riders with lifetime map updates, Bluetooth®, optional smartphone link for real-time traffic updates, carry pouch and much more. Hands-free mode also available if the vehicle is fitted with the optional Car kit.

Only available in conjunction with option code 272: navigation device preparation (also available as an equipment option, option code 272)

- BMW Motorrad Navigator V (with map data for Europe)

Part number: 77 52 8 536 777

(o) BMW Motorrad Navigator V (without map data)

Order number: 77 52 8 536 779

(+) Navigation device preparation (not shown) can be retrofitted

For detailed information, please contact your BMW Motorrad Centre or visit www.bmw-motorrad.co.uk

- Car kit for BMW Motorrad Navigator V

Order number: 77 52 8 544 460

[X] iPod adapter cable (not shown)

Enables your iPod to be connected to the standard input jack of the audio system.

Only for iPod models with dock connectors released in January 2014

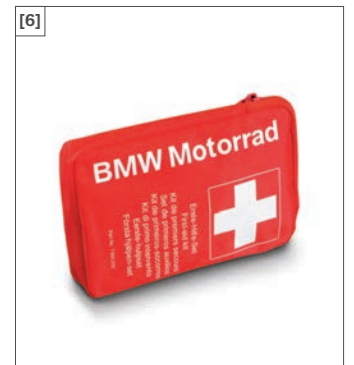

- iPod adapter cable

Order number: 61 12 2 338 491

Please contact your local BMW Motorrad Centre for fitted prices.
Original BMW motorcycle equipment is available from your BMW Motorrad Centre.

(o) = "or" – this item may be ordered as an alternative option

EQUIPMENT FOR THE R 1200 RT.

SAFETY.

[1] Aluminium cylinder head cover guard

If the worst comes to the worst, the cylinder head cover guard provides comprehensive protection against damage. Plastic contact guard is replaceable.

- Cylinder head cover guard
Order number: 77 14 8 533 745

[2] LED auxiliary headlights

The LED auxiliary headlights deliver increased safety when visibility is poor, e.g. in fog, snow and rain.
To be fitted and enabled in a specialist workshop, and ideally at your BMW Motorrad Centre

- LED auxiliary headlights (two required)
Order number: 63 17 8 532 147
The auxiliary headlights are approved for use as fog lights, and may only be used in poor weather conditions. Country-specific road traffic regulations must be complied with.
- (+) Bracket for auxiliary headlight, left
Order number: 63 17 8 541 631 I
- (+) Bracket for auxiliary headlight, right
Order number: 63 17 8 541 630
- (+) Cable harness for auxiliary headlights
Order number: 61 12 8 548 710
- (+) Cylinder screws M6 x 40 (two required)
Order number: 07 12 9 907 398
- (+) Hexagonal nut M6 (two required)
Order number: 07 12 9 905 826
- (+) Cylinder screws M8 x 30 (two required)
Order number: 07 12 9 907 381
- (+) Additional switch for auxiliary headlights
Order number: 61 31 8 533 473
- (+) Body panel screw M5 x 14
Order number: 07 12 9 907 413
- (+) Cable clamp
Order number: 32 72 8 534 367

[3] Safety screw for oil filler cap

This small safety screw is made of milled aluminium and prevents unauthorized removal of the oil filler cap.

- Safety screw for oil filler cap
Order number: 71 60 7 696 117

[4] BMW Motorrad warning triangle

The BMW Motorrad warning triangle packs down to a very small size (H x W x D: 22.5 x 8.5 x 3.5 cm) so there's never any problem finding space for it on your motorcycle. It also complies with ECE standard R 27. Comes in a sturdy plastic container with assembly instructions.

- BMW Motorrad warning triangle
Order number: 77 02 8 543 476

First aid kit

Complies with DIN standard for motorcycle first-aid kits. Compact waterproof case.

- [5] • Large first-aid kit
Order number: 72 60 2 317 554
- [6] • Small first-aid kit
Order number: 72 60 7 695 290

[X] TPC (tyre pressure control) (not shown)

Now with gradient monitoring, TPC from BMW Motorrad constantly monitors tyre pressure and provides riders with real-time updates. Riders are also alerted when there is any significant drop in pressure. Also available as an equipment option.

For detailed information, please contact your BMW Motorrad Centre or visit www.bmw-motorrad.co.uk

To be fitted and enabled in a specialist workshop, and ideally at your BMW Motorrad Centre

[X] Anti-theft alarm system (not shown)

If the motorcycle is moved or struck violently, the system responds with a clearly audible signal and a flashing warning light. Also available as an equipment option.

To be fitted and enabled in a specialist workshop, and ideally at your BMW Motorrad Centre

- Anti-theft alarm system
Order number: 77 53 8 554 348

Please contact your local BMW Motorrad Centre for fitted prices.
Original BMW motorcycle equipment is available from your BMW Motorrad Centre.

[1]

[1] **Streetguard suit**

You can't always rely on the weather forecast. But you can always rely on this suit. The professional-grade StreetGuard touring outfit provides effective protection, whatever the road has in store for you. It features NP2 protectors, abrasion-resistant ProtectionGuard material, an eye-catching reflective print, and countless clever details. In addition, the BMW climate membrane and a range of ventilation zips prevent the build-up of heat, and ensure all riders can find their perfect temperature. Best of all though, it means you need never have to trust in the weather man again.

[2]

[3]

[2] **ProSummer glove**

Robust and hard-wearing, with these goatskin leather touring gloves, you can keep a firm grip on your riding at all times. They incorporate a nylon stretch fabric and GORE-TEX® XTRAFIT membrane, and are windproof, waterproof and breathable, for maximum riding enjoyment. Lightweight inner lining and a crease-free fit prevent distractions, while shock-absorbent double-thickness leather and memory foam help to provide a safer ride. A rubber wiper lip and reflective strips complete the package.

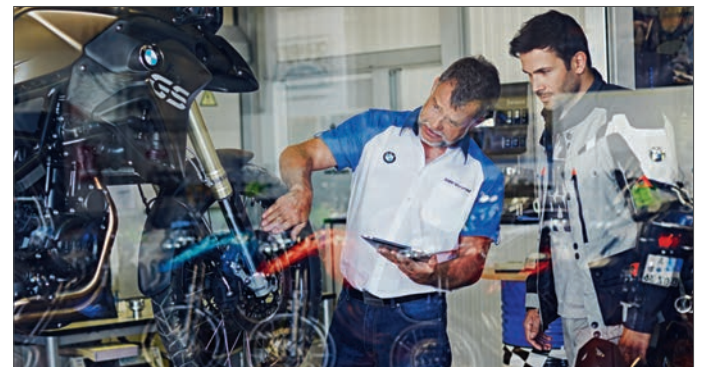

[3] **ProTouring boot**

The ProTouring boot is a rider's best bet when looking for something he can use all year round. The large, integrated shin and heel protectors are as comfortable as they are functional, and the GORE-TEX® membrane ensures the boot is breathable while remaining windproof and waterproof. The women's version features a raised sole for increased stability – particularly useful when riding motorcycles with higher seat placement.

Find out about these items and other rider equipment at your BMW Motorrad Centre or bmw-motorrad.co.uk

BMW MOTORRAD SERVICE.

BMW Motorrad Service

BMW's extensive service network ensures your bike gets the care it deserves. There are over 150 BMW Service Centres in Germany alone, and if you're off on your travels, you'll find them in over 100 countries around the world. Their quality of service is assured by comprehensive training and systems.

BMW Motorrad mobility services

We pride ourselves on the quality of aftersales care we provide. Like BMW Motorrad mobility services: free, round-the-clock breakdown assistance whether you bought your bike new or as an Approved Used Bike.

If you have a breakdown in this country or elsewhere in Europe, our experts will do everything they can to get you back on the road. If they can't fix the problem immediately, they'll get you to your destination by other means.

Ask your BMW Motorrad Centre for more information, or visit www.bmw-motorrad.co.uk

Datatag

BMW Motorrad has joined forces with Datatag, the country's leading provider of security marking solutions, to give BMW motorcycle owners an additional level of theft protection and peace of mind.

All BMW Motorcycles will be fitted with the Datatag's industry-leading system to deter theft, free of charge. Datatag's advanced system enables the identification of stolen motorcycles and parts, thereby assisting the police in prosecuting motorcycle thieves and making BMW motorcycles less attractive to criminals.

Real Rider

REALRIDER's life saving, route recording, benefit-filled Smartphone App, lets you track your rides, record your points of interest and keeps you safe when you ride alone. Using Smartphone technology, if a crash is detected, REALRIDER connects an injured rider directly to the NHS Ambulance Control Room.

Each new bike purchase also comes with a complimentary 12 months REALsafe subscription as part of the REALsafe premium App. This is the only accident detection system App to be fully integrated into the NHS and when activated will enable emergency services to locate riders quickly and accurately.

MAKE LIFE A RIDE WITH BMW MOTORRAD FINANCIAL SERVICES.

Get on your new or used BMW bike as quickly and easily as possible with finance from BMW Financial Services.

We offer a range of flexible finance options for your new or used bike to get you out on the open road.

- BMW Select is our most flexible and popular finance product. It can help turn your dream Motorrad adventure into a reality by putting you onto a BMW bike sooner than you might think. With BMW Select, you can change your bike regularly, meaning you can always benefit from the latest technologies in the range.
- BMW Hire Purchase is the traditional way to finance your new BMW bike, where you spread the cost of your purchase equally over time so it's easy to budget.
- We also offer Accessory Loans to help you afford those extra gadgets that you've always wanted.

Get in touch with the finance specialist at your local BMW Motorrad Centre for more details, or visit www.bmw-motorrad.co.uk/finance for more information and to view the latest offers.

Finance is subject to status and available to over 18s in the UK only. Guarantees and indemnities may be required. Finance is provided by BMW Financial Services (GB) Limited, Summit ONE, Summit Avenue, Farnborough GU14 0FB.
