

# MAKE LIFE A RIDE.

**THE NEW S 1000 RR.  
MODEL BROCHURE.**

**BMW Motorrad**  
2015

[bmw-motorrad.co.uk](http://bmw-motorrad.co.uk)

**The Ultimate  
Riding Machine**

# OVERVIEW.

Meet the new S 1000 RR. Faster than ever before. A supersports bike delivering 199 hp (146 kW) at 13,500 rpm and weighing only 204 kg (complete with race ABS and DTC), with high-tech features including a new frame geometry, an exhaust system that's three kg lighter, and three riding modes – Rain, Sport, Race – as standard. Plus a wide range of optional additional features like DDC (Dynamic Damping Control), HP Pro gear-shift assist (which lets you change gears without using the clutch), two additional Pro riding modes, Launch Control and speed limiter for the pit lane. The S 1000 RR looks very different, with uncompromising front and rear designs that make an already exceptional bike even more so.

# MODEL COLOURS.

ND2 Paintwork in Black Storm Metallic/Seat in Black/Swinging arm in Black

ND7 Paintwork in Motorsport colours: Light White/Lupin Blue Metallic/Racing Red/ Seat in Black/Silver-anodized swinging arm\*

\* Illustrations show the following optional equipment: "DDC (Dynamic Damping Control)" with upside-down telescopic fork at the front, gold-anodized expansion tank and design option wheels with Red wheel rim liners

## STANDARD SPECIFICATION AND FEATURES.

### S 1000 RR

Model code: 0D10

#### Engine/drive

- Water/oil-cooled, transverse four-stroke in-line four-cylinder engine
- Four-valve technology, with four titanium valves per cylinder and double overhead camshaft
- Capacity: 999 cc
- Max. output: 199 hp (146 kW) at 13,500 rpm
- Max. torque: 113 Nm at 10,500 rpm
- Electronic injection (two injection nozzles per cylinder), digital engine management with integrated knock control, adjustable inlet manifold length
- Full E-Gas (ride by wire) electronic throttle control
- Stainless steel exhaust system, rear silencer with twin-pipe design for sonorous sound. Electronically regulated balance pipe valves and acoustic flap
- Two regulated three-way catalytic converters
- Six-speed gearbox with spur gears
- Chain drive

#### Dimensions/weight

· Length:	2,050 mm
· Height excluding mirrors/(width including mirrors):	1,140 mm/(826 mm)
· Wheelbase:	1,438 mm
· Dry weight:	175.5 kg
· Unladen weight, fully fuelled/road-ready:	204 kg
As defined in EU directive 93/93/EEC, filled with all operating fluids, fuelled to at least 90% of usable tank capacity	
· Max. permitted weight:	407 kg
· Max. load (with standard equipment):	203 kg
· Usable tank capacity (of which reserve):	17.5 l (approx. 4 l)

#### Performance/fuel consumption

· Max speed:	Over 200 km/h
· Fuel consumption per 100 km at a constant 90 km/h/(120 km/h):	5.7 l/(5.9 l)
· Fuel type: premium unleaded, 95 octane (RON)	
(Knock control: max. output at 98 RON)	

#### Chassis

- BMW Motorrad Race ABS (partly integral, switchable)
- ASC (Automatic Stability Control)
- Upside-down fork, front (diameter 46 mm, travel 120 mm), Black-anodized, rebound/compression damping and spring pre-load all adjustable with a hook wrench; ride height adjustable  
If the optional DDC (Dynamic Damping Control) is selected, the upside-down telescopic fork and expansion tank are gold-anodized
- Aluminium double sided swing-arm, rear (120 mm of travel), central spring strut in rebound/compression damping steplessly adjustable with spring pre-load
- Double disc brakes at front (diameter 320 mm, thickness 5 mm), radial four-piston calipers
- Single disc brake at rear, hydraulic (diameter 220 mm, thickness 5 mm)
- Cast aluminium wheels (120/70 ZR 17 at front, 190/55 ZR 17 at rear)
- Side stand with cut-out switch

\* The figure quoted is a recommended retail price (RRP) ex works, not including shipping costs but including 20% VAT.

\*\* Optional equipment: "DDC (Dynamic Damping Control)" with upside-down telescopic fork at the front, gold-anodized expansion tank and design option wheels with Red wheel rim liners.

## Electrics

- Headlights and high beam lights
- Dimmable multifunction display (speedometer, total and two trip distance counters, clock, lap timer, analogue rev counter, gear indicator, average consumption and range indicator); three different riding modes (Rain, Sport, Race); statistical functions for the racetrack and average throttle and braking percentage, number of gear shifts (per lap, minimum/maximum velocity), freeze function; programmable gear shift indicator with speed warning display, "Best Lap in Progress" display and error indicator
- Single Wire System (CAN bus)
- Electronic immobilizer
- Drop sensor
- 350-W three-phase generator
- Smoke Grey indicators and LED rear light
- Hazard warning lights
- Diagnostic interface

## Standard Equipment

- Two-part seat (seat height: 815 mm; step length: 1,805 mm)
- One key system for ignition, steering, fuel filler cap and seat locks
- Adjustable brake lever
- Small storage compartment with tools under the pillion seat
- On-board literature

## Special Features

- Aluminium fuel tank
- Wet multidisc anti-hopping clutch, mechanically operated
- Removable number-plate carrier
- Choice of three riding modes ("Rain", "Sport" and "Race"); BMW Motorrad Race ABS and ASC (Automatic Stability Control) levels vary to suit each riding mode
- "Best Lap in Progress" function for active racetrack training

## Colours

- ND6 Paintwork in Racing Red/Light White/Seat in Black/Silver-anodized swinging arm\*\*  
Multi-colour paint scheme available at an extra charge of £130.00
- ND2 Paintwork in Black Storm Metallic/Seat in Black/Swinging arm in Black
- ND7 Paintwork in Motorsport colours: Light White/Lupin Blue Metallic/Racing Red/  
Seat in Black/Silver-anodized swinging arm\*\*  
Multi-colour paint scheme available at an extra charge of £385.00

**Price: £13,700\***

## EQUIPMENT FOR THE S 1000 RR.

## HIGH PERFORMANCE PARTS

### [1] HP foot pegs for rider and pillion passenger

These CNC-milled HP foot pegs combine aesthetic appeal with exceptional functionality. Their wide range of adjustment options offer riders everything they need when it comes to ergonomics and track-style riding.

To be fitted by your BMW Motorrad Centre

- HP rider foot pegs, left

Order number: 77 25 8 550 773 | Price: £534.00\*

- (+) HP rider foot pegs, right

Order number: 77 25 8 550 774

- HP pillion passenger foot peg, left

Order number: 46 71 7 699 721 | Price: £104.00\*

- (+) HP pillion passenger foot peg, right

Order number: 46 71 7 699 722

### [2] HP Pro gear-shift assist

Delivers smooth acceleration without using the clutch lever – 10 times faster than normal gear shifts. Also available as an equipment option.

To be fitted by your BMW Motorrad Centre

- HP Pro gear-shift assist

Order number: 23 41 8 549 125 | Price: £406.34\*

- (+) Enabling code for Pro gear-shift assist

Order number: 13 61 8 545 879

- (+) Micro switch

Order number: 61 31 8 529 368 | Price: £43.40\*

Required if cruise control has not been fitted (also available as an equipment option, Option code 538)

- (+) Lever with intermediate plate

Order number: 32 72 8 556 669 | Price: £49.20\*

Required if cruise control has not been fitted (also available as an equipment option, Option code 538)

### Folding HP clutch and brake levers

Made out of corrosion-resistant, anodized aluminium, the newly developed CNC-milled HP brake and clutch levers are both stylish and highly practical. Individually adjustable to suit each rider's needs in terms of ergonomics, the built-in folding design also reduces the risk of bending or breaking in the event of an accident.

To be fitted by your BMW Motorrad Centre

- [3] • Folding HP clutch levers

Order number: 77 22 8 537 509 | Price: £160.00\*

- [4] • Folding HP brake levers

Order number: 77 22 8 537 510 | Price: £160.00\*

### HP brake lever protector/HP clutch lever protector

Prevents the front wheel from locking up when contact is made with another motorcycle on the racetrack, while making a clear, authoritative statement on public roads. Can be used on all handbrake levers available for the RR. A protector designed exclusively for the folding HP clutch lever is also available.

Scheduled availability from second quarter of 2015

- [X] • HP clutch lever protector (for folding HP clutch lever) (not shown)

For detailed information, please contact your BMW Motorrad Centre or visit [www.bmw-motorrad.co.uk](http://www.bmw-motorrad.co.uk)

- [5] • HP brake lever protector

Order number: 77 22 8 537 508 | Price: £116.00\*

\* Original BMW motorcycle equipment is available from your BMW Motorrad Centre. All prices quoted are RRP, incl. 20% VAT and subject to additional assembly costs.

(+) = "and" – this item must be ordered at the same time

# EQUIPMENT FOR THE S 1000 RR.

## HIGH PERFORMANCE PARTS

### High Performance carbon bolt-on parts

Superlative performance is a given with these bolt-on parts. They are elegant, sporty, exclusive and durable – each one a masterpiece in its own right. And if perfection's what you're after, you've hit the jackpot here because they're made of carbon, the ultimate lightweight material. The result: stylish looks combined with technical expertise.

Instructions for fitting and use available from your BMW Motorrad Centre.

**Mudguard, fairing side panel, tank cover, airbox cover, engine spoiler, chain guard: small mounting parts excluded.**

For detailed information, please contact your BMW Motorrad Centre.

## EQUIPMENT FOR THE S 1000 RR.

## STORAGE ACCESSORIES

### [1] Tankbag

The tankbag fits in perfectly with the shape of the tank. The lockable main compartment is waterproof and has a capacity of 13 litres. The tankbag has a highly water-resistant map pocket. And there is also a small, water-resistant outer pocket for small items that need to be readily accessible.

- Tankbag

Order number: 77 45 8 545 898 | Price: £186.00\*

### [2] Rear bag

The tough, waterproof rear bag is made of easy-care fabric, and the capacity is expandable from 25 to 32 litres. The bag is a perfect match for the design of the S 1000 RR, and can be used when riding at high speeds.

- Rear bag

Order number: 77 49 8 545 894 | Price: £235.00\*

For solo riding only

Not available in conjunction with the pillion comfort seat or the seat hump cover for the pillion seat

### [3] Bungee-cord spider

Elasticated cord with nylon casing. For securely attaching individual items of luggage.

- Bungee-cord spider

Order number: 72 60 9 057 579 | Price: £4.65\*

## DESIGN

### [4] Plastic seat hump cover in bike colour

Mounted in place of pillion seat. Gives the S 1000 RR an even sportier look. Also available as an equipment option.

- Plastic seat hump cover in bike colour

For solo riding only

Not available in conjunction with the rear bag

– Light White

Order number: 77 31 8 556 213 | Price: £242.71\*

(o) Racing Red

Order number: 77 31 8 556 214 | Price: £242.71\*

(o) Black Storm Metallic

Order number: 77 31 8 556 218 | Price: £251.71\*

(+) Fastening for seat hump cover

Order number: 77 31 8 520 252

(+) Locking cylinder (with codes) for central locking with motorcycle

Order number: 51 25 7 681 200

The locking cylinder for the pillion seat can be used as an alternative option

### [5] LED indicators

Streets ahead in form and function. The LED indicators complement the design of the S 1000 RR perfectly – and with reduced energy consumption and significantly longer bulb life, they're also a shining example of efficiency. Also available as an equipment option.

To be fitted at your BMW Motorrad Centre.

- LED indicators (four required)

Order number: 63 13 8 522 503 | Price: £165.81\*

(+) Installation kit for LED indicators

Order number: 77 51 8 551 391

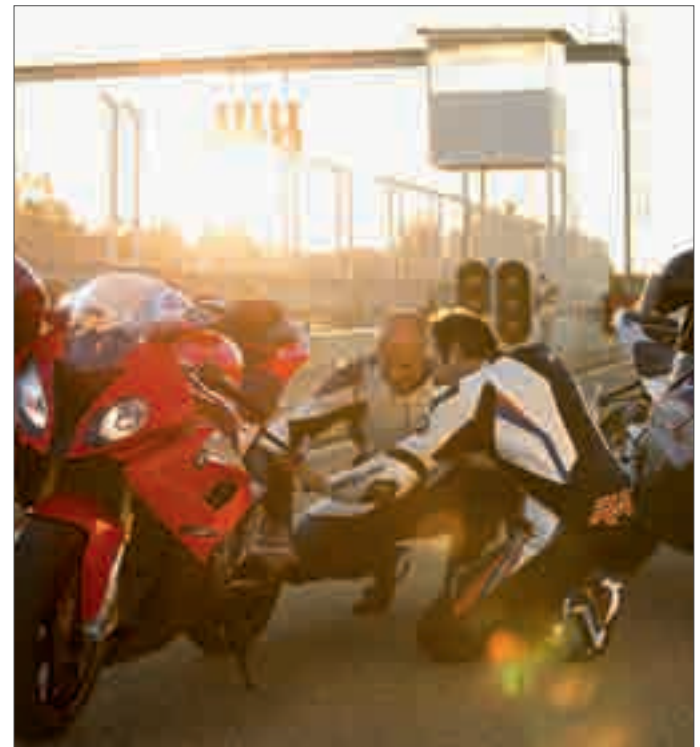

\* Original BMW motorcycle equipment is available from your BMW Motorrad Centre. All prices quoted are RRP, incl. 20% VAT and subject to additional assembly costs.

(+) = "and" – this item must be ordered at the same time

(o) = "or" – this item may be ordered as an alternative option

## EQUIPMENT FOR THE S 1000 RR.

## SOUND

### [1] Akrapovič sport silencer

A top-class feature for top-quality sound: made entirely of titanium, with a carbon end cap and heat protector and featuring a laser-etched Akrapovič logo, the Akrapovič sport silencer turns every ride into a thrilling experience.

Instructions for fitting and use available from your BMW Motorrad Centre

- Akrapovič sport silencer

Order number: 77 11 8 554 206 | Price: £725.00\*

### [X] HP carbon silencer bracket (not shown)

Order number: 77 11 8 554 343 | Price: £154.00\*

Only available in conjunction with the Akrapovič sport silencer, the HP titanium exhaust system or the HP Race Power Kit

Required if rear footrest are not fitted

For solo riding only

## ERGONOMICS AND COMFORT

### [2] Comfort seat

Wider than the standard version, the padded comfort seat is perfect for longer tours and creates striking visual contrasts.

- Comfort seat (seat height: 850 mm; step length: 1,870 mm)

Order number: 77 34 8 544 942 | Price: £239.00\*

### [3] Pillion comfort seat

The pillion comfort seat is padded and wider than the standard version, and offers greatly increased passenger comfort.

Not available in conjunction with the rear bag

- Pillion comfort seat

Order number: 77 34 8 549 541 | Price: £179.00\*

(+) Locking cylinder (with codes) for central locking with motorcycle

Order number: 51 25 7 681 200 | Price: £33.40\*

The locking cylinder for the pillion seat can be used as an alternative option

### Tinted windshield, high windshield (clear and tinted)

Looking for a cool look or better wind protection? The choice is yours. The tinted version of the standard windshield gives your bike a track-style edge while the high windshield provides better protection against the wind – and it is also available as a tinted version.

Instructions for fitting and use available from your BMW Motorrad Centre

- [4] • Tinted windshield

Order number: 46 63 8 540 846 | Price: £150.00\*

- [5] • High clear windshield

Order number: 77 33 8 550 074 | Price: £150.00\*

- [6] • High tinted windshield

Order number: 77 33 8 550 075 | Price: £169.00\*

### [7] Heated grips

Warm hands feel good, which is why these heated handlebar grips have two settings designed to keep hands and fingers pleasantly warm. Also available as an equipment option.

- Heated grips

For detailed information, please contact your BMW Motorrad Centre or visit [www.bmw-motorrad.co.uk](http://www.bmw-motorrad.co.uk)

\* Original BMW motorcycle equipment is available from your BMW Motorrad Centre. All prices quoted are RRP, incl. 20% VAT and subject to additional assembly costs.

(+) = "and" – this item must be ordered at the same time

## EQUIPMENT FOR THE S 1000 RR.

## MAINTENANCE AND TECHNICAL ACCESSORIES

### SAFETY

#### [1] Axle protectors

These highly abrasion-resistant plastic drop-protection pads for the front and rear axles protect the fork and swinging arm from harm.

Instructions for fitting and use available from your BMW Motorrad Centre

- Axle protectors (two required)

Order number: 77 25 8 545 290 | Price: £70.50\*

#### [2] Engine protectors

Aluminium engine protectors with plastic sliders provide additional protection for your engine.

To be fitted at your BMW Motorrad Centre

- Engine protector, left

Order number: 77 25 8 545 293 | Price: £122.00\*

(+) Engine protector, right

Order number: 77 25 8 545 292 | Price: £94.00\*

#### [3] BMW Motorrad warning triangle

The BMW Motorrad warning triangle packs down to a very small size (H x W x D: 22.5 x 8.5 x 3.5 cm), so there's never any problem finding space for it on your motorcycle. It also complies with ECE standard R 27. Comes in a sturdy plastic container with assembly instructions.

- BMW Motorrad warning triangle

Order number: 77 02 8 543 476 | Price: £18.60\*

#### First aid kit

\* Original BMW motorcycle equipment is available from your BMW Motorrad Centre. All prices quoted are RRP, incl. 20% VAT and subject to additional assembly costs.

[1] **DoubleR suit**

Enjoy excellent protection and freedom of movement with this close-fitting, abrasion-resistant one-piece racing suit, featuring cowhide leather, approx. 1.2 mm thick, and joint protectors. Perforated areas in the chest and back prevent the build-up of heat. This winning combination of technology and craftsmanship gives the edge you need to take your riding to the limit.

[2] **DoubleR glove**

Made of 100% kangaroo leather, this hard-wearing yet flexible sport glove perfectly complements the DoubleR suit. It provides optimum protection thanks to double thickness SuperFabric material at the edges and palms of the hand. Plus a tough plastic protective shell over the knuckles with titanium inserts, to deliver even more protection.

[3] **DoubleR boot**

The DoubleR racing boot with safety shell technology made from carbon and aramid perfectly matches the DoubleR suit. The inner boot features the patented D-Axial ankle support system. The outer boot is made from tear and abrasion-resistant cowhide leather with a textile upper. And thanks to the boot's special design and Velcro fasteners, it's ideal for wearing under the DoubleR suit.

Find out about these items and other rider equipment at your BMW Motorrad Centre.

## BMW MOTORRAD SERVICE.

### **BMW Motorrad Service**

BMW's extensive service network ensures your bike gets the care it deserves. There are over 150 BMW Service Centres in Germany alone, and if you're off on your travels, you'll find them in over 100 countries around the world. Their quality of service is assured by comprehensive training and systems.

### **BMW Motorrad mobility services**

We pride ourselves on the quality of aftersales care we provide. Like BMW Motorrad mobility services: free, round-the-clock breakdown assistance whether you bought your bike new or as an Approved Used Bike.

If you have a breakdown in this country or elsewhere in Europe, our experts will do everything they can to get you back on the road. If they can't fix the problem immediately, they'll get you to your destination by other means.

Ask your BMW Motorrad Centre for more information, or visit [www.bmw-motorrad.co.uk](http://www.bmw-motorrad.co.uk)

### **MAKE LIFE A RIDE WITH BMW MOTORRAD FINANCIAL SERVICES**

Get on your new or used BMW bike as quickly and easily as possible with finance from BMW Financial Services.

We offer a range of flexible finance options for your new or used bike to get you out on the open road.

- BMW Select is our most flexible and popular finance product. It can help turn your dream Motorrad adventure into a reality by putting you onto a BMW bike sooner than you might think. With BMW Select, you can change your bike regularly, meaning you can always benefit from the latest technologies in the range.
- BMW Hire Purchase is the traditional way to finance your new BMW bike, where you spread the cost of your purchase equally over time so it's easy to budget.
- We also offer Accessory Loans to help you afford those extra gadgets that you've always wanted.

Get in touch with the finance specialist at your local BMW Motorrad Centre for more details, or visit [www.bmw-motorrad.co.uk/finance](http://www.bmw-motorrad.co.uk/finance) for more information and to view the latest offers.

Finance is subject to status and available to over 18s in the UK only. Guarantees and indemnities may be required. Finance is provided by BMW Financial Services (GB) Limited, Bartley Way, Hook, Hampshire RG27 9UF.
